TALL SHIPS PARADE

Hundreds of thousands of spectators lined the shores of Newport and Jamestown to see the stately parade of the 5 tall ships as they departed on Sunday from Newport. Next stop will be Portugal as these beautiful ships of the age of sail test their skill and their sails in a contest across the Atlantic. Perfect conditions bathed the ships in sunshine as the crews lined the yards in a salute that soared to the very top of the mainmasts.

The cover photo is of the United States Coast Guard ship Eagle as she passed the ancient Fort Adams to lead the parade that lasted well over 4 hours as they toured under the Newport Bridge and up the coast, then with sails set they turned and made for open sea between Jamestown and Newport Islands. It was one of the happenings that encored the event of 1976. It was a

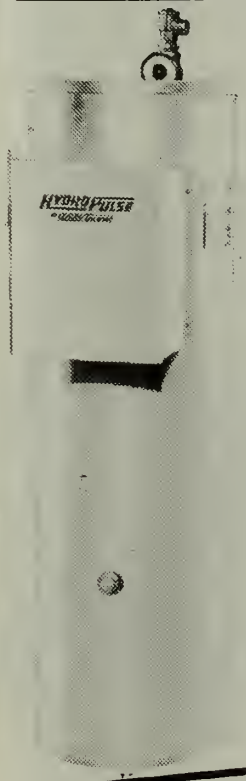
HYDRO-PULSE™

A SOLID investment WITH A PROVEN PRODUCT



The great, new Hydro-Pulse™ gas boiler can REDUCE Energy Costs 30% or more.

This revolutionary new heating unit, made by Hydrotherm, Inc., uses no burner, no pilot light, needs no flue, no chimney. It operates on the pulse combustion principle, which uses natural gas much more efficiently than conventional boilers. This means heating bills can be reduced 30% or more. If you're in a depression over high home heating costs, call us to learn more about Hydro-Pulse.

Hydrotherm® has certified this contractor for Hydro-Pulse installation and service.

and regularly played with children so that he thought the dog was not a danger but that for some unexplained reason the dog had bitten Mr. Farley.

Michael Harris, son of the Harrises, testified that Mr. Farley called the dogs off the Harris property and went to pat Heidi, a crippled shepherd. He speculated that Hans tried to protect Heidi and bit Mr. Farley. This was denied by Mr. Farley who stated that he was unaware of the dog until leaped upon.

In questioning the dog officer, James Sullivan, Selectmen established that Hans was not a vicious dog but was a protective dog. Robert Carrier told Selectmen that he had been chased by the dog while on a moped and thought that the area should be safe from dog nuisance.

Selectman James Huntoon summarized the Selectmen's decision that Hans was found not vicious. He made the motion that Hans be retained at all times in accordance with town by-laws to prevent any further incident with the warning that, should a similar thing happen in the future, this testimony would be on file for use against the dog. The Selectmen stated that the owners must take responsibility to see that the dog is restrained and confined to the Harris yard.

DUMP DECISION

Selectmen discussed temporary dump use with the Board of Health. Abuse of the landfill privilege by out-of-town contractors has been a difficult and continuing problem. Executive Secretary Carol Adams said that this is one of the few towns to issue temporary stickers. Some contractors have been

dumping trash from out of town in the Mattapoisett landfill under a temporary sticker. It was proposed that anyone, not qualified for a resident town sticker, pay a fee for a period of 1 day to 2 weeks of $5.00; for 12 weeks a fee of $50.00 [illegible]

POLICE BUDGET OVER BY $8,000

Selectmen noted that the contract negotiated with the town by the Police Brotherhood has pushed the police budget $8,000 over the level funding asked for all town departments which will require further consideration by the town.

Police Chief James Moran told Selectmen that starting July 1st a foot patrolman will make the rounds of Water Street, Town Wharf, Town Beach, Cannon Street, Center School and the bathing beach mooring areas. The patrol will be 9 p.m. to 1 a.m. and will be looking for public drinking, illegally parked cars, excessive noise and congestion.

ASK CHANGE FOR CLUB

A request for a change of manager for the Graffitti Inc. liquor license was received. The request stated that the intention was to change the operation to a dinner type and with dance music to attract a more mature clientele.

Frank Linhares, owner of the adjoining property, pointed out to Selectmen that an agreement made with the previous manager to fix the fence and to clear property of bottles had not been kept.

Selectmen will notify the owners that the transfer of manager will be done after the agreed conditions have been accomplished.

Bay Cable Hearing

Officials of Bay Cable TV explained that the problem with the extension of the cable hook-up lines into low density area is economic. A public meeting was held Thursday night with Selectmen, officials of Bay Cable and townspeople who desire the service. According to the estimate of Bay Cable they have exceeded the requirements of the contract by 12.15 miles with 33 miles of construction. Bay Cable figures show a cost of $9,564 per mile not counting engineering cost. They suggested that one solution to low density installation would be prepayment of the cost of basic service to be credited for 2 years. This would run $164. pre-payment per home for Brandt Island; $75. for Point Connett, $171. for Tinkhamtown (excluding Long Plain Road). Mattapoisett Neck and Harbor Beach would have to be resurveyed.

The consensus among townspeople present was that prepayment would make extension impossible because some people would not or could not prepay. Therefore, surveys conducted by volunteers would have no meaning.

Robert Lessor of Bay Cable said that his company would like nothing better than to have the whole town as subscribers but that the 16 1/2% interest rate has made it economically impossible since it takes 30 subscribers per mile to break even. According to Mr. Lessor, Bay has lost $300,000.00 per year since they started in Mattapoisett.

Selectman James Huntoon suggested a low density location assessment plus the cost of service that every other subscriber pays - the one time assessment charge to make up the difference. He asked, "Is that a financial

package the bank might consider?"

Lessor replied that it was a possibility that he would check.

Townspeople suggested that outside cable companies be asked to come in, as the license is not exclusive. Selectman Frank Suzan stated that would be done only when there is no other option because if the town can work with Bay Cable it can be done much faster.

Mr. Lessor said that the problem could be solved very quickly by raising the rate for every subscriber to cover the cost of the extra extension.

Mr. Huntoon replied that people paying the present rate might be disturbed at the bad news. The good news, he said, would be service to the whole town. He said, "Assume for the moment that Selectmen agree to have 850 subscribers pay a monthly increase of $2. each, plus 200 new clients, the amount would be $25;000 per year, a quick payback on $170,000.

Lessor said he would look at that possibility.

It was the general feeling of the 53 people present that the rest of the town, in some

form or other, should bear the cost of the extension of the system. The Selectmen were of the opinion that subscribers would not be willing to pay extra to furnish Cable TV to other sections.

Mr. Suzan said that he thought that the complete 18 miles of low density area should be considered in one package.

Mr. Huntoon said that the town does business with local banks which might consider this package as sound investment and that he would be willing to introduce the Bay Cable representatives to the bank officials if they would work up a package proposition for the bank to consider.

Vincent Worden suggested that the town consider a deadline after which the town could initiate a licensing process with another cable company.

Mattapoisett Road Race

A FIELD OF 300+ RUNNERS ENTER MATTAPOISETT ROAD RACE

The response to the Mattapoisett Road Race being open this year has been, to say the least, overwhelming. Over 300 applications have been received thus far from 31 different towns and five states. The largest amount of runners until this year was 127 in 1981.

Due to the max of 300 runners being met there will be NO SIGN-UP for the race on Race Day. NO POST ENTRIES DAY OF RACE. The last applications to be accepted will be on Friday, July 2nd, from 5:00 to 7:00 p.m. at Shipyard Park when you can pick up your numbers and T-shirts. There will also be a fun run of the new course around 7:00 for those who would like to get familiarized with the course if there is enough interest.

At 10:00 a.m. on Monday, July 5th, the five mile course will start west of the

seasons. In 1982 season play, she was 14-0 and in the state tourney she was 4-0, only giving away 2 games in 6 sets. Nicki earned her position on the 1982 Boston Globe All-Scholastic Girls' Tennis Team by participating in the Massachusetts School Girl Individuals. She will be attending Dartmouth College this fall.

Lisa, a sophomore this year, has also had the distinction of remaining undefeated in the number 2 spot for 1981 and 1982 match play, with a 14-0 record for season play and then 4-0 in the state tournament. She will be returning to Stang next year to fill the spot of number one singles vacated by her sister Nicki.

Elise, a junior this year, holds the highest position on the Stang team. Playing number 3 singles, she encountered many tough matches but when the team needed her, she always pulled it out for them. Elise also maintained an undefeated record for 1981 and 1982 regular season play. She was 14-0 in match play this year, then went on to finish out the year with a 3-1 record in the state tournament. Elise will also be returning next year to play the number 2 singles position.

All 3 girls were elected to the 1982 Standard-Times all-star tennis team. They are all members of the National Honor Society at Stang, Nicki being the President and Elise being the Secretary.

The second doubles team this year also included a Mattapoisett resident, Christina Clancy. Chris is a senior this year and has been playing a good consistent

Eudoxia Woodward will again teach a course in watercolor with emphasis on a new way of looking at flowers. Ms. Woodward's classes will be held July 13, 14, 15, 20, 21 and 22.

For anyone interested in weaving, Sandra Brownlee Ramsdale will instruct three groups for 8 sessions for 4 weeks in July. A class for children grades 3-6 will meet on Mondays and Thursdays and will feature an introduction to weaving. Children will be introduced to a variety of textile materials, simple looms and basic techniques. Also on Mondays and Thursday Ms. Ramsdale will gear her introduction to weaving for the older students in grades 7 and up. For adults who have their own looms and are interested in more instruction, Sandra will offer a class at the participants' convenience during July.

Please note that the waste paper truck usually at the town parking lot off Route 6 and Depot Street the first weeknd of the month has been cancelled until further notice due to circumstances in the paper market. The Mattapoisett Republican Town Committee, sponsors of this community project, hopes to be able to resume paper collection in the fall.

Letters to The Editor

On Tuesday evening, June 22, 1982, more than one hundred parents eloquently expressed to the District School Committee their concern for the quality of education at ORR, and their indignation at the loss of a faculty member who is both an excellent teacher and a fine person. The School Committee shares their concern and their distress; but declining enrollments and limited funds require that the District School science staff be reduced by one person. At the same time, the contractual agreement between the teachers and the District School Committee requires that tenured faculty be dismissed in strict order of seniority.

Because new contract negotiations are now taking place, and because of other issues

involving legal and contractual issues and precedents, the ability of the School Committee publicly to explain and justify its decision is drastically limited.

We deeply regret that parents who obviously care about education left Tuesday's meeting convinced that their elected officials are indifferent to their opinions, and do not share their concerns. Membership on the District School Committee is a heavy public responsibility which none of us would seek if we were indifferent to the quality of the education provided in our local schools. We ask you please to reserve judgment on this issue.

SURVIVAL TRIP

As some of the Presto Press readers already know, prior to each yearly closing of the Old Rochester schools some of the 7th grade students plan a survival trip to Northfield, Mass. I was one of the students this year.

During this trip we are taught to "live off the land" by eating parts of plants that

are plentiful in the Northfield woods. The students are also taught to share their food and equipment with others.

This trip also includes some fun. The fun is sitting around the campfire each night, singing happy and fun songs.

Tradtionally Mr. Carlton Vaughan runs survival with the help of other adults, but unfortunately this year Mr. Vaughan was unable to join us. In his absence Mr. Thomas Grondski showed that he was capable of "filling" Mr. Vaughan's shoes by leading this trip to Northfield.

He was assisted in this task by Mr. Jeff Rodman, an eighth grade math teacher; Dori Ripple who has been on almost all of the trips; "Stootch", an athletic trainer at senior high and many more.

I feel that it is time that these people were publicly thanked for all the time that they have taken from their jobs and families to give the students many fond memories that will last a long time and to teach us things that we could not have learned in a classroom.

I would also like to take this time to thank Mr. John Field who has shared his land where the survival trips are held yearly.

Thank you one and all,

Catherine Barrows

government should depend for its existence upon the perpetuity of the States. There is, however, no guarantee of unchangeable State areas - but all elections are by States - including the election of Senators and Representatives in Congress and Presidential elections. When it is necessary for the House of Representatives to elect a President of the United States each State has one vote. If the States failed to perform their function properly, it would annihilate the national Government.

The men who worked so hard to "put together" the Constitution - through their thoughtful and sound wisdom - were passionately attached to their own State and local governments - and they knew that they were masters of their States but they feared that a national government would become a tyranny as the British tyranny they had thrown off during the Revolution.

The States and the people enjoy immense powers which are denied to the national government - and it is this dual system which distinguishes the United States Government from all other countries.

At times, it seems many have been inclined to forget why our Constitution should

HOUSE OF REPRESENTATIVES HONORS GATEWAY PLAYERS DIRECTOR

An official citation from the Commonwealth of Massachusetts House of Representatives was presented to Director George W. Hayden in celebration of his eleventh year with the Gateway Players. He was cited as a founder of the organization and for bringing live theatre to the region. The presentation was offered by State Representative Denis Lawrence and signed by Speaker of the House Thomas W. McGee. In his acceptance Mr. Hayden said "with the tearing down of such famous showplaces as the Bijou and Helen Hayes in my native New York, we must appeal more than ever to President Reagan to help theater and the creative arts make it to 2000 and beyond." The presentation was made after the Saturday,

BOURBON STREET JAZZ AT PLANTATION

The Bourbon Street Paraders Jazz Band will return for its fourth season at Heritage Plantation on Wednesday, July 7, at 7:30 p.m. This band with its lively traditional style jazz is a favorite with Cape Codders.

The leader and vocalist is the free-wheeling Lee Childs. His smooth clarinet is influenced by Benny Goodman, and his preferences are dixieland and swing rather than the more contemporary sounds of today. Trombonist Charlie Tourjee plays with appropriate gusto and is a great crowd pleaser.

SATURDAY PROGRAM - JULY 10th

The Children's Museum's first Saturday program for the summer will be "Sharks!" Are you curious about these graceful but dangerous denizens of the deep? On Saturday, July 10th, Professor Sandford Moss will share his expertise and personal experiences with us through his own slides and artifacts. Please join us for an eye-opening program. The program starts at 2:00 p.m. and there is a small charge for non-members.

GAMES WORKSHOP

Registration is being taken now for the Children's Museum's first Games Workshop which will be held on Saturday, July 17th, from 10:00 to 12:00. Children six and up are invited to come and learn and play games for the playground, backyard or rainy days. This is a chance for children to explore and share new ideas in the world of games. There will be an admission charge. A second Games Workshop will be held August 7th.

COMMONWEALTH OF MASSACHUSETTS
PLYMOUTH, ss. DEPARTMENT OF THE TRIAL COURT
SUPERIOR COURT
CIVIL ACTION
NO. CA82-15245

To ROGER J. ABREU and SANDRA P. ABREU, both of that part of Dartmouth known as North Dartmouth, in the County of Bristol and to all persons entitled to the benefit of the Soldiers' and Sailors' Civil Relief Act of 1940, as amended.

OLD COLONY BANK AND TRUST COMPANY OF BRISTOL COUNTY, a Corporation duly organized under the laws of the Commonwealth of Massachusetts, having its usual place of business in New Bedford, in said County of Bristol claiming to be the holder of a mortgage covering real property situated in Mattapoisett in said County of Plymouth on County Road, formerly County Street, given by Roger J. Abreu and Sandra P. Abreu to Old Colony Bank and Trust Company of Bristol County dated March 4, 1981 and recorded with Plymouth County Deeds, Book 4962 Page 181, has filed with said court a complaint for authority to foreclose said mortgage in the following manner, to wit; by entry and possession and by the exercise of a power of sale contained in said mortgage.

If you are entitled to the benefits of the Soldiers' and Sailors' Civil Relief Act of 1940 and amendments thereto and you object to the foreclosure of said mortgage, you or your attorney should file a written appearance and answer in said court at Plymouth on or before July 26, 1982, or you may be forever barred from claiming that such foreclosure made under such authority is invalid under said act.

Witness, James P. Lynch, Jr., Chief Justice of our Superior Court, the fourteenth day of June, in the year of our Lord one thousand nine hundred and eighty-two.
